Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.

Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956

The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

Task Order No. 3 covered a study program leading to design

The Auditor has recommended for acceptance total cost in the amount of \$39,402. This cost together with the approved fixed-fee of \$4,160 results in a final contract price of \$43,562.

In connection with this settlement there are attached the following documents:
